

From time to time, children may not be under the direct supervision of our Staff. These instances include, but are not limited to:

- Using washroom facilities
- Getting a drink of water
- Going to the gym or another room where staff and children are already present

**These are NOT common practices but they periodically happen.**

Please note that our Staff will use reasonable judgement of time. We encourage older children to act as leaders in the group and assist in these types of situations.

Please fill out the form below. If you have any questions, please discuss them with one of our Directors or Program Staff.
